

Do You Have The Right Kind Of Mindset To Succeed As A Coach?

Elaine Blidgeon.com

In order to succeed as a coach, you need to have the right mindset because working for yourself and setting up a small business requires you have more skills available to you than you needed when you worked in corporate. So this quiz will help you identify what kind of mindset you have now, compared to the kind of mindset you need to be successful.

There are 4 mindsets that the quiz seeks to identify

1. A resilient mindset
2. An employee mindset
3. A business mindset
4. An entrepreneur mindset

Each has their pros and cons, but only one is NOT suitable for being successful as a coach.

The aim of the quiz is to give you insight into whether your present mindset will help you become a high ticket coach.

According to your results you have an entrepreneurial mindset

Read the report below and use it to enhance your coaching. And also watch out in your inbox more details of how to be a high ticket coach.

What Kind Of Mindset Do You Have?

You Have An Entrepreneurial Mindset

PROS

Innovation and Adaptability: An entrepreneurial mindset thrives on innovation, fostering adaptability in dynamic environments.

Risk-Taking: Entrepreneurs are often willing to take calculated risks, which can lead to ground breaking achievements.

Creativity: Entrepreneurial thinkers tend to approach challenges with creative solutions, fostering out-of-the-box thinking.

CONS

Risk of Failure: The willingness to take risks may lead to failures, and not all entrepreneurial ventures succeed.

Stress and Uncertainty: The dynamic nature of entrepreneurship can bring high levels of stress and uncertainty.

SUCCESS CONTEXT

An entrepreneurial mindset is advantageous in industries that demand constant innovation, such as technology, startups, and creative fields. An entrepreneurial mindset can be a powerful force for success

Independence: Entrepreneurial coaches thrive when given the freedom to make decisions and shape their unique coaching style.

You Have An Entrepreneurial Mindset

FAILURE CONTEXT

It may lead to setbacks in situations requiring strict adherence to established procedures, where a more structured approach is critical, and requires careful navigation and adaptability to mitigate potential pitfalls.

SUMMARY AND NEXT STEPS

Entrepreneurs thrive on calculated risks and exhibit a strong sense of ownership, driving them toward growth opportunities. However, this path is not without its challenges. The risk of failure, coupled with the stress of uncertainty and resource management, can be daunting.

Ultimately, success lies in navigating these nuances and leveraging the strengths of an entrepreneurial mindset while mitigating its potential drawbacks
